

# NMSU Ladies Golf Association Membership Application

## General Information

Dues for the NMSU LGA are \$80 per year. Of this amount, \$30 is for a handicap fee, and \$50 goes for weekly prize money. You may join for half a year for \$55 (\$30 handicap fee & \$25 prize money). All members must establish a handicap if they don't already have one kept at another course.

Play day for the NMSU LGA is Thursday, and a "partial shotgun" format is used. Members must sign up to play no later than noon on Tuesday for each week. The sign-up sheet is located on the bulletin board in the women's bathroom in the NMSU clubhouse.

Usually the tee time is 9:00 a.m. from October through April and 8:00 a.m. from May through September. On play day, each player checks in with the play day chairpersons no later than 30 minutes before the tee time. The chairpersons assign each player their starting hole number.

Each week an optional \$25 is collected before the round for a "Chip-in" pot.

All players are placed in flights according to handicap. Weekly payouts are by flight for 1st, 2nd and 3rd place. The money is deposited in each winner's account at the pro shop and can be applied to merchandise or green fees.

## Membership Application
